READING PROGRAM

Today is Book-Devouring Day!

Today is Book-Devouring Day!

"Today is Book-Devouring Day!" is
a reading-based after-school care program for
first and second grade elementary school students.
Since 2021, this program has utilized
local community resources by training volunteer instructors
and sending them to schools to run the program.
Offering a different theme every year, the program provides
reading activities for elementary students'
character development and emotional well-being in 2026.
Through "Today Is Book-Devouring Day!" program,
our library offers customized school-visiting service based on
our expertise and experience, easing techers' workload
and supporting after-school care.

Established in January 1977 on the former site of Gyeonggi High School, Jeongdok Public Library is a central public library of the Seoul Metropolitan Office of Education, where history and nature come together.

The library engages with the community through diverse historical and educational collections, as well as reading and cultural programs inspired by Bukchon's cultural heritage.

As Jeongdok Library approaches its 50th anniversary in 2027, it continues to grow as a place where heritage, literature, and community come together.

부산 : 전쟁과 혼란 속에서도 멈추지 않은 독서의 도시

Busan : A City That Never Stopped Reading — Even Amid War and Turmoil

이 전시는 부산시 제7회 피란수도 논문공모전 최우수상(2024) 수상 연구를 바탕으로, 전쟁과 혼란의 도시 부산이 동시에 지식과 도서관 정신이 살아 숨쉬었던 도시임을 보여준다. 신라대학교 부산학센터는 이 이야기를 세계 도서관계와 함께 나누며, 위기 속에서도 도서관이 인간에게 어떤 의미였는지를 함께 탐구하고자 한다.

This exhibition is grounded in research awarded the Grand Prize at Busan City's 7th Wartime Capital Academic Paper Competition (2024). It reveals that Busan — a city shaped by war and turmoil — was simultaneously a place where the spirit of knowledge and libraries remained vibrantly alive.
Silla University Busan Study Center invites the global library community to share this remarkable story and to explore together the enduring significance of libraries for humanity, even in times of crisis.

교사들은 독서 계획을 했고, 학생들은 피란교실에서 교지를 발간했으며, 골목길에서도 책 읽기를 멈추지 않았다. 시민과 피란민들은 미헌병대가 점령한 도서관의 개관을 요구했고, 피란 온 국립도서관 직원들은 밤새워 장서를 지켰다. 1952년, 국회마저 최초의 국회도서관을 창설했다.

Teachers devised reading plans, students published school journals in refugee classrooms, and reading continued even in the alleyways. Citizens and refugees demanded the reopening of their library, then occupied by U.S. Military Police, while displaced National Library staff stood guard over the collections through the night. In 1952, even the National Assembly established Korea's first National Assembly Library.

▲ 기장초등학교 교사 일기

한국전쟁이 발발한 1950년 7월, 기장초등학교 신경복 교사는 일기에 독서 계획을 적었다. 전쟁 중에도, 임대 후에도, 제대 후 취업을 준비하면서도 그는 독서를 멈추지 않았다. 이 일기는 1950년대 부산 시민의 일상 속 독서 정신을 생생하게 증언한다.

1951년 1월, 국립도서관 직원들은 국가의 지식문화유산인 장서를 지키며 부산으로 피란했다. 그들은 경남 관재국 창고에 장서를 보관하고 교대로 밤새워 지켰다. 전쟁 중에도 책을 지킨 이 헌신은 도서관 정신의 가장 숭고한 실천이었다.

국회도서관 창설
1951년 7월, 피란 중인 국회의원들은 법안 심의에 필요한 자료를 찾아다닐 수 없다며 도서관 설치를 결의했다. 1952년 2월, 부산 무덕전에 사서 1명, 장서 3,604권으로 대한민국 최초의 국회도서관이 문을 열었다. 전쟁 중 탄생한 이 도서관은 도서관의 존재 이유를 온 나라에 증명했다.

Post-War Busan | 전쟁 후 부산

1957년 경남고등학교는 국내 최초로 개가제 학교도서관을 운영해 전국적인 학교도서관 운동의 출발점이 되었다. 부산시립도서관(현 시민도서관)은 1950년대 발행된 국내 유일본 2,488권을 소장해 전쟁과 혼돈의 시기에도 부산이 책 읽는 도시였음을 방증한다.

In 1957, Gyungnam High School became the first school in Korea to operate an open-access library, sparking a nationwide school library movement. Today, the Busan Citizens' Library preserves 2,488 volumes published in Korea during the 1950s — many the only surviving copies in Korea — bearing witness to a city that never stopped reading, even through war and its aftermath.

추진배경

- 인천 지역 자영업 폐업 증가 및 지역 상권 침체 문제에 주목
- 도서관 이용자를 지역 상권의 잠재고객으로 바라보는 새로운 관점 제시
- 독서 진흥과 지역경제 활성화를 동시에 실현할 수 있는 협력 모델 필요

운영내용

도서관

- 도서관 인근 12개 카페와 협력 체계 구축
- 계양구 내 구립도서관으로 확대 및 공동 운영
- 다독자, 프로그램 참여자 등 매월 우수 이용자 선정 후 쿠폰 배부
- 온/오프라인 홍보 및 소규모 순회문고 지원

지역상점

- 상점별로 자율 할인 혜택(5~10%) 제공

이용자

- 원하는 지역상점에서 책동네 패스 쿠폰 사용

주요성과

- 전국 최초 독서활동을 지역소비와 연결하는 모델 구상
- 도서관-이용자-소상공인 협력 지역 상생 네트워크 구축
- 도서관 이용자의 지역상점 방문 및 소비 촉진으로 지역경제 활성화

Background & Benefits

- Challenges in adopting costly research analytics solutions and identifying research topics during the research planning stage
- Contributes to strengthening national research competitiveness by supporting the entire research lifecycle with AI

Automatically extracts key research keywords from paper titles and abstracts using LLMs

Service Overview

Analyzes research trends across Korean universities, including discipline-specific research activities, core research keywords, and annual research output statistics.

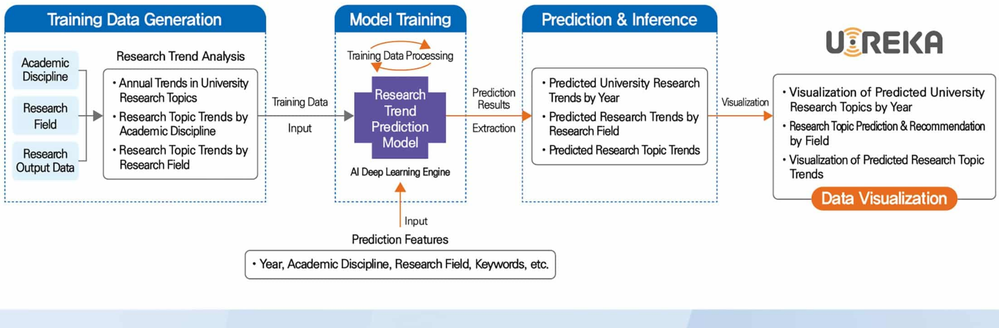

Provides direct access to each participating university's UREKA portal through the university directory.

Learns university research trends to predict future research trends.

How UREKA Works

Applies AI deep learning technology to learn research topic trends and predict future research directions.

TEACHER LIBRARIANS IN KOREA:
EMPOWERING LEARNING

Building School Libraries · Enriching Education · Connecting the World

All schools in Korea have a school library. Teacher librarians support students' learning, collaborate with teachers, and provide reading education and information literacy instruction based on the national curriculum.

2 TEACHER LIBRARIANS IN ACTION

We work together with teachers to transform learning.

Curriculum Collaboration
Plan and implement project-based learning and inquiry lessons integrated with the curriculum.

Reading Education
Provide diverse reading programs to foster reading habits, empathy, and critical thinking.

Information Literacy (MIL)
Students learn to find, evaluate, use, and create information responsibly.

AI Literacy Support
Help students use AI tools ethically and creatively to solve problems and become responsible digital citizens.

3 KSLA: BUILDING THE POWER OF TEACHER LIBRARIANS

The Korea School Library Association (KSLA) is the national professional association for teacher librarians.

- **1998 Established** — Founded to support and represent teacher librarians.
- **2009~2011 Curriculum Development** — Developed national school library curriculum and instructional resources.
- **2016 International Engagement** — Joined IASL and strengthened global collaboration with school library communities.
- **2017~2019 Policy Advocacy** — Advocated for school library promotion and improved policies for teacher librarians.
- **2020~2025 Professional Growth** — Nationwide professional development, new teacher training, and community building.
- **2026~ Future and Beyond** — Promoting AI & MIL, expanding global partnerships, and innovating for the future.

KSLA KEY ACTIVITIES

4 CONNECTING POLICY, CURRICULUM, AND PRACTICE

We link policy, curriculum, and practice to strengthen school libraries.

POLICY
- Improve school library policies and systems
- Advocate for teacher librarian staffing
- Participate in national library policy

CURRICULUM
- Develop curriculum and instructional materials
- Support curriculum-based instruction
- Strengthen reading and information literacy

PRACTICE
- Collaborative teaching in real classrooms
- Operate reading programs and information literacy instruction

"Teacher librarians connect students and teachers, making the school library the heart of education."

5 TOWARD THE FUTURE, TOGETHER

We create a better future through school libraries.

GLOBAL TOGETHER
We work with IASL, IFLA, and school library associations worldwide to share practices.

AI ERA READINESS
We promote AI literacy and information ethics responsible and creative digital citizens.

SUSTAINABLE GROWTH
We build sustainable school libraries that inspire lifelong learning for all.

SCHOOL LIBRARIES, TODAY'S LEARNING, TOMORROW'S WORLD.

SCHOOL LIBRARY CURRICULUM IN KOREA:
HISTORY, INNOVATION, AND FUTURE

Through the approval of superintendent-recognized subjects, school libraries take root in classrooms.

KSLA has developed school library curriculum and worked with education offices to establish and approve subjects, ensuring that students have continuous opportunities to develop information literacy, critical thinking, and reading literacy.
